Terms and Technical Information

Buyer understands that all tiles are subject to variations in technical specifications, including coefficient of friction due to the inherent variables in the raw materials and production process. Buyer must determine slip resistance suitability for any material use. There is no warranty as to the suitability for any material use. SpecCeramics does not warrant that the tiles will not scratch, chip or show signs of wear.

Claims concerning shade, appearance, caliber, finish or obvious defects in first choice production must be communicated before the tile is installed. No claims will be accepted for tile already installed for defects in other than first choice material. If there is a claim or a defect, SpecCeramics needs to be notified in writing within 60 days after the goods have been delivered.

Colors may differ due to printing and monitor settings.
