i'Pix  
Mosaic Collection

SICIS

# i'Pix

## Mosaic Collection

*Nasce la nuova Collezione **i'Pix** di SICIS che, nelle sue innumerevoli varianti decorative e cromatiche, prende vita sul monitor di un computer, con il semplice tocco di un mouse, come uno stilista di moda che declina le fantasie di un abito con l'aiuto della tecnologia digitale. In **i'Pix** una creatività tutta italiana definisce texture e disegni che utilizzano le tessere di mosaico al posto dei pixel (l'unità di misura puntiforme delle immagini video). **i'Pix** riproduce e fa propria la frammentarietà delle superfici digitali creando intricati e complessi motivi geometrici, ricreando pellami, damaschi, fiori, e astrazioni materiche, così come appare nella videoarte quando si osservano immagini video a distanze ravvicinate.*

*Come l'accostamento di diversi tessuti che compongono un elegante abito da sera, in **i'Pix** confluiscono le diverse collezioni di mosaico SICIS; tessere trasparenti o iridescenti, specchiate o ramate, zigriate o martellate. La Collezione **i'Pix** miscela tessere "ton-sur-ton" o a contrasto creando una rosa di pannelli inimitabili; figurativi o astratti, dai toni caldi e cremosi o dai toni freschi ed acquatici.*

*Nascono così superfici assolutamente sorprendenti, adattabili a qualsiasi ambiente, proprio come un vestito da sogno declinato su misura, per un prezioso tocco di custom-design che riveste lo spazio secondo lo stile unico ed il "savoir faire" di SICIS, la Maison 100% made in Ravenna.*

---

SICIS presents new **i'Pix** Collection.

A pixel is universally defined as the smallest single component of a digital image. SICIS **i'Pix** defines texture and design, utilizing mosaic chips as distinct scalar elements of a multi-component representation.

As a designer would select and combine various materials to create an elegant evening dress, **i'Pix** incorporates SICIS's diverse glass mosaic collections, including transparent, iridescent, mirrored, and textured materials.

With over 500 colors, our client is presented with the freedom to choose from innumerable variations, patterns, and palettes. With this autonomy, the **i'Pix** collection demonstrates infinitude, creating inimitable patterns ranging from tone on tone to strong contrasts, both figurative and abstract. The surfaces are surprising, adaptable to every type of ambience, with the precious touch of custom design to clad ones space with the unparalleled savoir faire of SICIS, la Maison 100 % made in Ravenna, Italy.
