

TOTAL BRICK

EMIL
CERAMICA

Unica, imperfetta, essenziale. **TotalBrick**, la linea ispirata alle maioliche fatte a mano, nasce dalla volontà di dare corpo a elementi semplici, versatili ma pieni di carattere, per creare infinite composizioni e atmosfere. I colori sono densi, materici, irregolari nel rifrangere la luce. Il formato, un elegante e inedito 6x24, suggerisce infinite possibilità. Il mattoncino TotalBrick è stato concepito per essere archetipo originario di ogni composizione, sostanza essenziale per sperimentare e dare corpo alla molteplicità degli ambienti. Realizzata in due esclusive finiture - **matt e lux** - TotalBrick è declinata in cinque suggestive cromie - **antracite, grigio, bianco, sabbia e blu avio** - da mescolare e posare in totale libertà, per creare infinite variazioni sul tema, anche in abbinamento ad altri materiali.

Einzigartig, unvollendet, schlicht. **TotalBrick**, die von handgefertigten Majoliken inspirierte Kollektion, entsteht aus dem Wunsch, einfache, vielseitige, aber charaktervolle Elemente zu schaffen, um zahlreiche Kompositionen und Raumatmosphären zu ermöglichen. Die Farben sind optisch dicht, stofflich und reflektieren das Licht ungleichmäßig. Das elegante, ungewöhnliche Format 6x24 cm eröffnet zahlreiche Möglichkeiten. Das Ziegelformat TotalBrick wurde als Archetyp einer jeden Komposition, als grundlegendes Element zur Gestaltung einer Vielfalt an Raumwelten konzipiert. Erhältlich in zwei exklusiven Oberflächen - **matt und lux** (glänzend) - umfasst TotalBrick fünf reizvolle Farben - **Antracite, Grigio, Bianco, Sabbia** und **Blu Avio** - die beliebig gemischt und verlegt werden können, um mischen und verlegen lassen, um, auch in Kombination mit anderen Materialien, unzählige Variationen zum Thema zu schaffen.

Unique, flawed, essential matter. **TotalBrick**, the line inspired by hand-made majolica tiles, sets out to provide a range of simple, versatile yet characterful pieces, for the creation of infinite compositions and moods. The colours are dense and tactile, refracting the light unevenly. The size, an unusual, elegant 6x24 cm, suggests endless possibilities. TotalBrick brick tiles are designed to serve as the originating archetype of every composition, essential matter for experimentation and for expressing the multiple facets of every interior. Produced in two exclusive finishes - **matt** and **lux (glossy)** - TotalBrick comes in five attractive colours - **Antracite, Grigio, Bianco, Sabbia** and **Blu Avio** - for mixing and installation in total freedom, to create infinite variations on the theme, even in combination with other materials.
