## INSTALLATION & MAINTENANCE

- Install per TCNA Handbook for Ceramic, Glass, and Stone Tile Installation
- Inspect material before installation, use implies acceptance
- Glass Essentials does not need to be sealed, however, cement based grout may be sealed
- Glass Essentials should be cleaned with a pH neutral tile cleaner or alkaline based cleaner

\*matte finish only

The line's traditional, popular shapes are suitable for nearly any location while allowing designers tremendous flexibility: field tile in three sizes (2" x 8", 3.5" x 12", and 6" x 12") that install in stack, brick, or herringbone patterns; 3" hexagons, and elongated hexagons on mesh-mounted sheets for easy installation.

The robust color palette of traditional and future-trending hues is neutral and versatile for effortless coordination with other tiles, a selection of custom brights that provide the opportunity to create a mood with life and expression. Options include Pure Silk, Tule, Mojave, Oceania, Stratos, Azure, Smoke, Lagoon, and Midnight. Gloss and matte finishes are available.
