

A modern interior space with a minimalist aesthetic. The walls and floor are made of light-colored concrete. A large window with a black frame is on the left wall. Two snake plants in dark, rectangular pots sit on the floor against the wall. A modern chair with a dark green upholstered seat and backrest, and a light-colored wooden frame, is positioned on the right. The ceiling is also made of concrete, with a visible beam. The overall lighting is soft and even.
