glass tile inspired by nature

- > **Island Stone's Glass Series** offers original formats, unique textures, and a wide range of natural hues, created to bring the vibrant personality of beach glass into your design. Island Stone glass offers the unmistakable sophistication and personal appeal for which we are famous for.

design attributes

- > **surfaces**
Island Stone glass designs are offered in one or more of our distinctive surfaces, chosen individually to best fit the respective design:
 - > **textured**: an exclusive pocketed design reminiscent of sand washed beach glass
 - > **matte**: a classic etched surface to subtly match select formats
 - > **gloss**: a lustrous, translucent surface that brings to light our powerful color pallet.
- > **backing**
All glass comes with our opaque backing to ease installation and insure optimal color and reflection.
- > **strength**
Island Stone Beach Glass (0.3" thickness or greater) has a strength similar to equivalent sized ceramic tiles and is suitable for residential floors or other low traffic flooring areas.

Beach Glass Combination > S1&R2

Sand Waveline Mini > BG9sand

Cement Classic > BG7cement

Breeze Strand > R3breeze
