PREMIUM VINYL PLANK

Experience a superior hardwood alternative

PREMIUM VINYL PLANK

SpecCeramics' Premium Vinyl Plank Flooring is the most remarkable hardwood alternative. This new collection was designed using high-definition printing in order to create the most genuine wood textures. The use of intricate layers of color, sawn-cut visuals and embossing, recreate the beauty of natural wood. The Premium Vinyl line is fashionable, high-quality and innovative as well as 100% waterproof, 100% pure virgin vinyl and high durability.

As SpecCeramics' thickest vinyl (5.5mm) with an Anti Bacterial coating, and Floor Score certification, our Premium Vinyl Plank is safe & healthy for you and your family to enjoy for years to come.

Justified

Premium Vinyl Plank

simply regal

Justified Premium Vinyl Flooring was created to replicate both naturally reclaimed and contemporary hardwood floors. The innovative process provides the most natural weathered sawn-cut wood visuals and textures - you won't believe it isn't real wood. The depth of color in this diverse collection is unlike any other vinyl flooring product, but it's still completely waterproof, durable, easy to clean, FloorScore Certified and made using 100% pure virgin vinyl. Justified PVP is the most elegant and dependable wood alternative.

Mountain Range

simply authentic

Mountain Range Luxury Vinyl Flooring is the best of both worlds - it has the warmth of hardwood with the durability and easy maintenance of vinyl planks. The collection reflects realistic graining and longer length boards; plus, every plank is wire brushed and handscraped in order to feature the most popular textures. In addition to the wooden visual aesthetic, Mountain Range also features the latest in vinyl technology; it is durable, water resistant and even absorbs sound. Mountain Range is the luxury vinyl that most closely resembles authentic hardwood floors and it is designed to hold up to any lifestyle.

Manhattan Stone

simply natural

Manhattan Stone Luxury Vinyl Flooring provides such a natural, realistic stone look that you have to touch it in order to realize it is LVT. Not to mention, you can create a customized look by mixing and matching the varied textures and colors. Much like real stone, Manhattan Stone is built to endure; the combination of our Surface Guardian Pro UV cured ceramic finish and Purcore Ultra 100% virgin material core makes for a durable vinyl floor.

For visual variety, the Manhattan Stone Collection may also be installed with grout, to give a real tile aesthetic.
