VARIATION RANGES ON A SCALE OF 0-4:

V0: Very Uniform Appearance — Pieces of the same shade value are very uniform and smooth in texture.

V1: Uniform Appearance — Differences among pieces from the same production run are minimal.

V2: Slight Variation — Clearly distinguishable differences in texture within similar colors.

V3: Moderate Variation — The amount of color and/or texture on each piece may vary significantly.

V4: Substantial Variation — Random color and/or texture from tile to tile. Thus, the final illustration will be unique.

● These colors are not recommended for exterior applications.

● These colors are not recommended for shower applications.

Oceancare, an innovative line of sealing and maintenance products for tile and natural stone. Developed by Oceanside Glasstile using cutting-edge chemical technology, Oceancare products are highly effective, easy to use and environmentally friendly.

PROTECT

HIGH PERFORMANCE PENETRATING SEALER

Hybrid Carrier Technology®

Through the discovery of a revolutionary water/solvent blending process, High Performance Penetrating Sealer offers the convenience and safety of a water-based formula combined with the ease of use and performance of a solvent-based formula. Hybrid Carrier Technology® is an evolutionary leap in sealer development.

Penetrates and protects grout, natural stone and other porous masonry materials. Forms an invisible, no-sheen barrier that is resistant to water and oil and provides superior stain protection. Low residue formula is specifically designed to be easier and faster to apply than traditional penetrating sealers. May be applied to dry, damp, cured or uncured grout or natural stone (seriously...immediately after grouting!).

HIGH PERFORMANCE ENHANCING SEALER

Hybrid Carrier Technology®

A low VOC, all-in-one color enhancer and penetrating sealer for both interior and exterior applications. Intensifies and enriches the color of natural stone, grout, concrete and other porous masonry materials. Forms a barrier that is resistant to water and oil and provides superior stain protection.

GLASS & TILE SHIELD

An invisible, non-toxic, easy to apply surface protectant that inhibits the bond of calcium and other mineral deposits. Protected surfaces are easier to maintain and most deposits are removed with light brushing or scrubbing. This eliminates the need for abrasive or acidic cleaners and keeps your surfaces looking new, longer. Use on a variety of hard surfaces including ceramic tile, porcelain tile, glass tile, natural stone, windows, shower doors, metal fixtures, mirrors, tubs and sinks. Excellent for pools, ponds and rock water features. Dried product is safe for aquariums and marine life.

MOST PEOPLE DON'T THINK ABOUT THE CHEMICALS UNDER THEIR KITCHEN SINK. HOWEVER, MANY COMMON HOUSEHOLD CLEANERS CONTAIN TOXIC COMPONENTS THAT POLLUTE OUR AIR AND WATER AS WELL AS POSE HEALTH RISKS TO OUR FAMILIES. AT OCEANCARE WE BELIEVE MAINTENANCE PRODUCTS SHOULD DO MORE THAN CLEAN OR PREVENT STAINS. THEY SHOULD PROVIDE YOUR FAMILY WITH A CLEAN, SAFE AND HEALTHY HOME WHILE PROTECTING OUR ENVIRONMENT.

WITH OUR LOW VOC SEALERS AND ALL NATURAL, NON-TOXIC, BIODEGRADABLE CLEANERS, OCEANCARE PRODUCTS COMBINE INDUSTRY-LEADING PERFORMANCE WITH THE ULTIMATE PEACE OF MIND.

For product availability and pricing, please contact an Oceancare dealer or visit www.oceancareproducts.com.

MAINTAIN

**pH NEUTRAL
TILE & STONE CLEANER**

A non-toxic, biodegradable, all-purpose, no-rinse cleaner designed for daily use on almost any hard surface. Cleans glass, porcelain, ceramic and natural stone tile, grout, agglomerate & stone countertops, bathtubs, sinks and fixtures.

Also available in concentrate formula; when diluted with water, one quart of concentrate will make up to 96 gallons of cleaning solution.

**ALL PURPOSE
CLEANER & DEGREASER**

A 100% natural, plant-derived, citrus-based alkaline cleaner that quickly cuts through heavy grease and oil. This ultimate kitchen & bath cleaner cleans glass, porcelain, ceramic and natural stone tile, grout, agglomerate & stone countertops, cooktops, stainless steel, appliances, tubs, showers and metal fixtures. Soap-free formula also removes oil and stains from carpet, upholstery and fabric as well as grime from pool waterlines.

CLEAN & SEAL

An all-natural, biodegradable, powerful everyday cleaner, fortified with the sealing protection of OceanCare High Performance Penetrating Sealer. When used for regular cleaning, this product rejuvenates existing sealer and maintains stain protection at optimal levels. Designed for use with stone countertops, natural-stone, ceramic, porcelain, glass tile and grout.

RENEW

**GROUT
HAZE REMOVER**

A biodegradable, non-toxic, acid-free cleaner that removes cement-based grout haze and deep cleans heavily soiled cement-based grouts. Through the use of advanced acid-mimic technology, this product works like an acid-based cleaner but is safer for the user, environment and colored grouts. Use undiluted for heavy-duty cleaning or dilute with water and make over 2 gallons of cleaning solution. Designed for use with ceramic, porcelain, glass tile and cement-based grouts.

CALCIUM RELEASER

A non-toxic, acid free cleaner that removes calcium deposits and efflorescence from pool tile, shower doors and plumbing fixtures. Calcium deposits are removed through the use of advanced acid-mimic technology which targets mineral deposits without acid damage to glass, porcelain and ceramic tile surfaces or most metal finishes.

**INTENSIVE
STONE CLEANER
*Concentrate***

A concentrated, acid-free, non-toxic, biodegradable, intensive cleaner designed for periodic use on natural stone surfaces. Cuts through years worth of heavy soil to restore natural stone surfaces to their original beauty. Use at maximum strength (1:4) for heavy-duty cleaning or make over 7 gallons of cleaning solution (1:30).

¹ Tiles with any edge longer than 5" or trim tile with any edge longer than 2.5" are not recommended for shower floors or submerged applications.

² The following Devotion colors are **NOT** recommended for exterior applications: Gold, Silver Leaf, Lustre, Gilt, Heirloom, Nocturne, Astral and Helios.

The following Devotion colors are **NOT** recommended for showers or steam showers: Gold, Silver Leaf.

³ In general, Oceanside Glass & Tile only recommends opaque tile in steam showers. However, in some instances, translucent tile may be used when installed with specific installation materials.

⁴ Tessera and Geologie mosaics are manufactured with an irregular, rustic edge; each tile will vary in shape and size and may exhibit some slight edge chipping. It is recommended that the purchaser review an installed and grouted sample board, prior to purchase, to determine the tile's suitability for the intended application.
