A sophisticated traditional glaze with a subdued gloss

'釉 -YU' in YUKASUMI stands for 'Glaze,' while '霞 -KASUMI' means 'Haze.' As the name suggests, it features a glaze with a hazy, subdued luster. This restrained gloss glaze softly and elegantly reflects light, adding style to any space.

Beautiful shadows are cast by the concave shape

The popular concave shape weaves vertical shadows that give the tiles a three-dimensional effect, creating an impressive space.

A chic palette of four calm and composed colors is available
