BASALTINA

BASALTINA

BASALTINA

Basaltina esprime la solidità della pietra, superfici essenziali e tonalità che richiamano l'autenticità naturale, per spazi che accolgono la materia e restituiscono una raffinata sensazione di comfort.

Basaltina conveys the solidity of stone: elemental surfaces and shades that evoke the authenticity of nature, for interiors that embrace matter, with a mood of comfort and refinement.

Basaltina exprime la solidité de la pierre, avec des surfaces essentielles et des tonalités qui évoquent une authenticité naturelle, pour des espaces où la matière s'impose et diffuse une sensation de confort délicat.

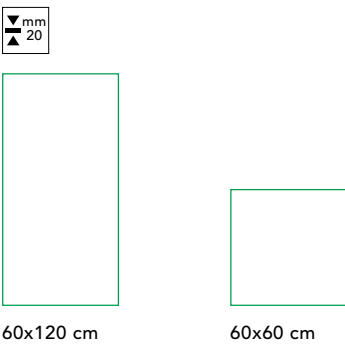

Basaltina steht für die Solidität von Stein, minimalistische Oberflächen und natürliche Farbtöne. Für Räume, in denen das Material für angenehmen Komfort sorgt.
