TEX

A stunning textile-effect collection that will make any project unique regardless its size. And it's because every space is different that we want to bring you inspiration and ideas to show off your individual style, even in the most unlikely places. Wherever your space, the designs of Tex Collection present an abundance of choice with a versatile and adaptable way to effortlessly create the look you want.

Be it a striking effect with the sixteen different patterns or a more subtle look with the grey and ivory base tiles, Tex Collection will create a contemporary atmosphere with its neutral tonalities in both colours.

Es un textil inspirado en las moquetas industriales de fibra corta, el diseño pattern esta compuesto por un conjunto de 16 diseños diferentes pero sus graficas estan unificadas al tener una misma tonalidad de color.

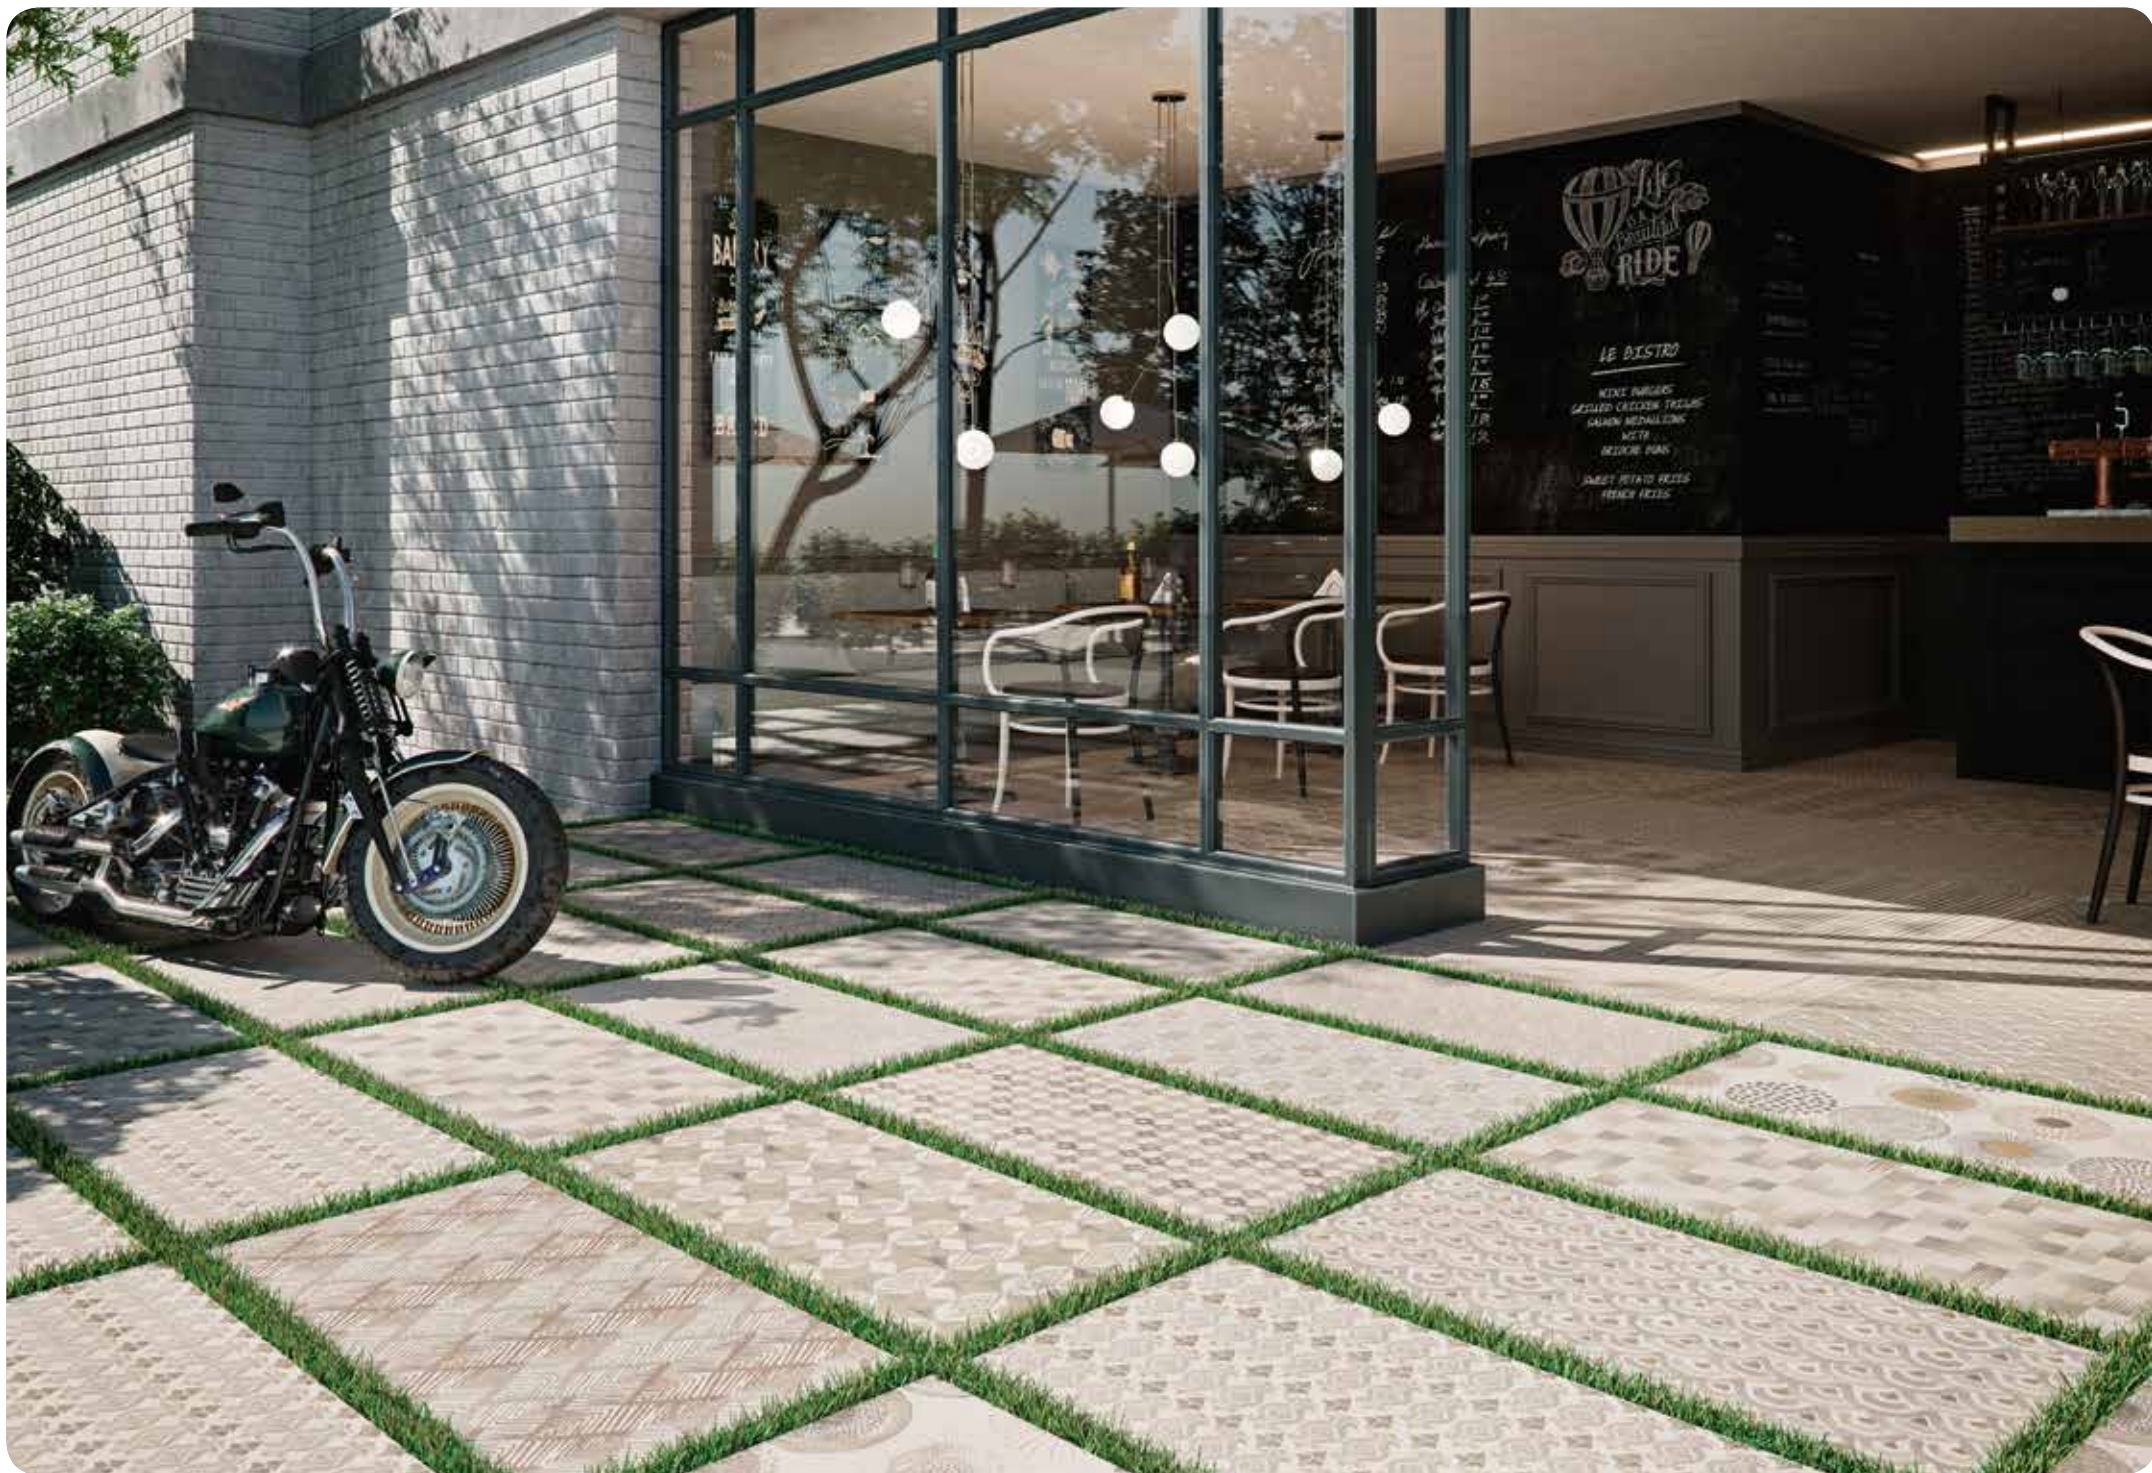

Dando el conjunto de graficas movimiento, pero a la vez le da armonia y tranquilidad por sus tonos suaves, obteniendo un aspecto actual y moderno.
